

Under the Sea

Home Learning Challenges

Can you make a model of a sea creature? You could use playdough, a paper plate or bowl, cardboard boxes and tubes. Maybe you could make a fish, an octopus or a jellyfish with lots of tentacles!

Teach your family how to sing "1, 2, 3, 4, 5, once I caught a fish alive!" Remember to show them the actions too.

Talk to a grown-up, look in a book or even look on the Internet, to find out about an animal that lives under the sea.

Tell an adult about your favourite sea creature. Can you paint or draw a picture of your favourite sea creature? What colours would you need to use?
